## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-6, 10, 13-26, 30, 33-39, and 60-71 allowed.
2. The following is an examiner's statement of reasons for allowance:
3. The instant application is deemed to be directed to a non-obvious improvement over Atkin (US 6,490,547) and Thompson and (6,175,978). The improvement comprising, in claim 60 (and similarly stated in all other independent claims) a language switching component to preempt an application program, save a state of the application program, discard the graphical user interface being currently displayed, generate a new graphical user interface comprising at least one new language-sensitive element indicated by a language resource bundle for a received language key, restore the state of the application program, and resume execution of the application program.
4. The dependent claims are allowed as their parent claims are deemed allowable.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays,

should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
